

NATURAL CHANNELS 2018

Sustaining Connectivity: Exploring the Importance of Connectivity in Systems, Knowledge, Practice and Policy

WELCOME

On behalf of the Natural Channel Systems Planning Committee, I would like to thank you for your interest in the 6th Natural Channel Systems Conference. Our event could not happen without the support of our sponsors and exhibitors.

The following guide sets out all of the pertinent information you will need to prepare for the conference. Once you have reviewed this guide, please complete the registration form and email or fax to Allset Inc. at karen@allsetinc.com or 1-888-274-1324 and also mail, along with your payment. In order to cut down on credit card fees, we ask that you provide a cheque for payment. Credit card processing is also available.

Please assist us with our marketing efforts to help increase participation to our conference and drive attendance to your exhibit. Here are some ideas:

- Post the conference logo on your website and link it to naturalchannels.ca. You can request the logo from Mario Maillet at mario@allsetinc.com
- Add the event to your website Calendar of Events for May 23rd to 25th, 2018.
- Include information on the conference in your upcoming newsletters, e-blasts & emails.

If you have any questions or concerns regarding sponsorship or exhibiting at our conference, please contact me and I will be happy to help.

Thank you,

Karen Anderson
